

Sucker

Pomplamoose

We go together
Better than birds of a feather, you and me
We change the weather, yeah
Im feelin heat in December when youre round me
Ive been dancin on top of cars and stumblin out of bars
I follow you through the dark, cant get enough
Youre the medicine and the pain, the tattoo inside my brain
And, baby, you know its obvious
Im a sucker for you
You say the word and Ill go anywhere blindly
Im a sucker for you, yeah
Any road you take, you know that youll find me
Im a sucker for all the subliminal things
No one knows about you, about you
And youre makin the typical me break my typical rules
Its true, Im a sucker for you, mhm
Dont complicate it
Cause I know you and you know everything about me
I cant remember, yeah, all of the nights
I dont remember when youre round me
Ive been dancin on top of cars and stumblin out of bars
I follow you through the dark, cant get enough
Youre the medicine and the pain, the tattoo inside my brain
And, baby, you know its obvious

Im a sucker for you
You say the word and Ill go anywhere blindly
Im a sucker for you, yeah
Any road you take, you know that youll find me
Im a sucker for all the subliminal things
No one knows about you, about you
And youre makin the typical me break my typical rules
