

You Get What You Give

Pomplamoose

Wake up, kids, we got the dreamers disease
Age fourteen, they got you down on your knees
So polite, were busy still saying please
And when the night is falling
You cannot find the light (light)
You feel your dreams are dying, hold tight
Youve got the music in you
Dont let go, youve got the music in you
One dance left, this world is gonna pull through
Dont give up, youve got a reason to live
Cant forget, we only get what we give
Four A.M., we ran a miracle mile
Were flat broke, but hey, we do it in style
The bad rich, Gods flying in for your trial, oh
But when the night is falling
You cannot find a friend (friend)
You feel your tree is breaking, just bend, o-oh
Youve got the music in you
Dont let go, youve got the music in you
One dance left, this world is gonna pull through

Dont give up, youve got a reason to live
Dont forget, we only get what we give
This whole damn world could fall apart
Youll be okay, follow your heart
Im right behind, now set your mind
Oh
Youve got the music in you
Dont let go, youve got the music in you
One dance left, this world is gonna pull through
Dont give up, youve got a reason to live
Cant forget, we only get what we give
O,oh, youve got the music in you
Dont let go, youve got the music in you
One dance left, this world is gonna pull through
Dont give up, youve got a reason to live
Dont forget, we only get what we give
Dont let go, youve got the music in you
One dance left, this world is gonna pull through
Dont give up, youve got a reason to live
Dont forget, we only get what we give
