

## Greyhound

Pond

eyebrows drawn on by pencils  
a cert chases her menthol  
I bet she melts like a candle when  
she's caught out in the rain  
damaged capillaries  
caused by too many greyhounds  
his porous grapefruit-like skin  
sure holds a permanent glow

on the rocks or just straight up this bartender here he's got a  
heart of gold  
a thick dust layer on the bell announces a place where heroes s  
eldom show

stetson tongue sucks his bridge work  
between goldfishing his highball  
he slowly descends upon sea legs  
I guess it's time to go
