

## Mubbys Theme

Pond

Looking down on mubby's smiling face  
He's squirming out of the ground  
Mubby stars in the last scene  
Likes the way that he's drawn  
Running over cartoon hills  
Hums his musical theme  
It goes...

We don't like the end  
We don't like the end  
Cold white sea foam preserves him  
Animals sing his name  
Lays his eggs on the railroad  
Mubby larva are born alone
