

Neon River

Pond

Bathed in golden hour
Atop a distant tower
My love
My love
See them seated down
To watch another spell
Performed
Performed
Adore
Ooh-ah

Neon river making me shiver
Black gown and a wing
Neon river, holding my liver
Shaking as the city sinks

Sun's holding a cloud
Burning all that flowers
Alive
Alive
I froze
Ooh-ah

Neon river making me shiver
Black gown and a wing, yeah
Neon river, holding my liver
Shaking as the city sinks
Yeah

River
Heh-heh
Ooh
Neon river

Neon river making me shiver
Ooh, black gown and a wing
Neon river, holding my liver
Shaking as the city sinks

River
Neon river
Yeah
