

# Xanman

Pond

Xanman, Xanman  
And don't you understand, you were crying for your man  
But it sure ain't tears for joy  
When you gonna see that the man's not me?  
Well, I'm barely a boy  
Barely a boy

Xanman, won't you understand you're not crying for you Xanman?  
Xanman, won't you hold my hand, man?  
At least until you lazy boy, you crazy boy

Back in the van with my head in my hands  
And I whale like a broken toy  
So I take my gills and forget how this feels  
I'm barely a boy, barely a boy

Xanman, won't you understand you're not crying for you Xanman?  
Xanman, won't you hold my hand, man?  
At least until too lazy boy, made me crazy, yeah  
I can't drop

Back in my van, boy, another thing  
Until we reach our land  
We'll wipe the memory, I've got eyes for my mind  
Until we can smile, breathe and play  
Breathe and play

Xanman, won't you understand you're not crying for you Xanman?  
Xanman, shit, won't you hold my hand, man?

Xanman, won't you understand you're not crying for you Xanman?  
Xanman, shit, won't you hold my hand, man?

Xanman, won't you understand you're not crying for you Xanman?  
Xanman, shit, won't you hold my hand, man?

Xanman, won't you understand you're not crying for you Xanman?  
Xanman, won't you hold my hand, man?
