

Time To Reveal

Pony Pony Run Run

I cheer you up
Time to reveal
I cheer you up
But you already know
I cheer you up
Time to reveal
I cheer you up

Surrender
Or I'll go
It's not unfair
Should I stay
In the front row
Maybe not today

I know we can but we won't...
It can't be so easy
Yes I could try but I don't...
You can start to forgive me

Many days have passed
Now I think it's time to realize it
Maybe I'm afraid to be on my own

A stormy day
In a bright week
That's what we're going through
Hopeless, you stay
But I don't wanna see it
Please, not today
