

# Alone

Poo Bear

We were inseparable  
Everything I had to do I did it next to you  
And the memories we made were so incredible  
Then our love was interrupted by my schedule  
There was nothing that I could do  
Cause you fell into the deepest depression baby  
And I hate to know I'm responsible  
And your heart filled up with so much aggression baby  
You got used to

Being alone, alone  
You adapted, now your use to  
Being alone, all alone  
Ooo you got used too being on your own

I saw it happenin'  
But I didn't accept the truth, I couldn't fathom it  
There was so much going on you couldn't handle it  
Could have divided my time, I should have fractioned it  
But there was nothing that I could do  
Cause you fell into the deepest depression baby  
And I hate to know I'm responsible  
And your heart filled up with so much aggression baby  
You got used to

Being alone, alone, (All alone)  
You adapted (You adapted), now your use to  
Being alone, all alone (didn't mean to leave you lonely girl)  
Ooo you got used too being (Used to) on your own, (All on your own)
