

That Shit Go

Poo Bear

I met a stripper named Tesula
Pussy drawers up like a lecturer
Ride the dick super fast, you know
And the smoke OG, no regular
And she only gotta work 3 days in a week
Even when she in bed, that money don't sleep
Stay sippin' that lavender
Screwed the boy spectacular
Through a whole pack of Magnums
Flip cakes like a spatula
Ass shine but her tits still natural

That shit go
Yeah, that shit go
That shit go
Yeah, that shit go, oh

She got that pina colada
Niggas keep blowin' them dollars
Gotta run outta that
Bust it open on a [?] lover, lover, woo
And she gotta get that I'm a motherfucker

That shit go
Yeah, that shit go
That shit go
Yeah, that shit go, oh
