

Two Rays

Poo Bear

Two rays of light
Shined down from above
And filled my heart
With joy and love
They laugh and play
They tumble and roll
They fill the void
The void within my soul

Two ray ay ay ays
Yeah ay ay ays
Two ray ay ay ays
Ray ay ay ays

Two rays of joy
Accompany me
Wherever I go
Wherever I may be
Through thick and thin
Through distance and time
I'm never alone
This feelings sublime

Two ray ay ay ays
Yeah ay ay ays
Two ray ay ay ays
Ray ay ay ays

Two rays of hope
From heaven they came
To change my life
Never to be the same
A boy I was
A man I became
A child in need
For them to tame

Two ray ay ay ays
Yeah ay ay ays
Two ray ay ay ays
Ray ay ay yeah
