Poo Bear

Let's do something outrageous  
Like get married in Vegas  
We can hit the chapel  
4:30 in the morning  
Oh, let's do something outlandish  
Like quit your job and vanish  
Don't worry 'bout the weekdays  
Live life at the weekend  
Live life at the weekend

Oh, yeah (yeah, yeah)  
You could come down on Friday, Saturday, Sunday, Monday (hey)  
Girls like you shouldn't be tied down or stuck in one place  
Got a lot of goals but relationship goals ain't ones that I make, I make  
Yeah, drop it for me, baby, go crazy  
You ride me like Mercedes

Calling me daddy just like a race strip  
She's crazy and I'm crazy too
