

Better When We're Close

Poolside

Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh

Just outside dreams
Of you and me
I feel much better
When we're close
I guess I waste
But times moves slow
I feel much better
When we're close

I can't stop falling for you
Just be mine and I'll wait for you too
If you want me to
If you want me to

So far apart
I'm lost alone
I feel much better
When we're close
I want that high
Time moves slow
I feel much better
When we're close

I can't stop falling for you
Just be mine and I'll wait for you too
If you want me to
If you want me to

If you want me to
If you want me to
If you want me to
If you want me to
