

Everything Goes

Poolside

Let's go
Get out of here now
Walk away
'Cause we're not affraid

Let's go
Go all the way now
And we'll give it
Give it out away

Everything, everything goes
Everyone, everyone knows
Everything, everything goes
Everyone, everyone knows

Let's go
Get out of here now
Walk away
'Cause we're not affraid

Let's go
Go all the way now
And we'll give it
Give it out away

Everything, everything goes
Everyone, everyone knows
Everything, everything goes
Everyone, everyone knows
