

# Harvest Moon

Poolside

Come a little bit closer hear what I have to say  
Just like children sleeping we can dream this night away  
But there's a full moon rising let's go dancing in the night  
We go where the music's playing let's go out and feel the night

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
On this harvest moon

When we were strangers I watched you from afar  
When we were lovers I loved you with all my heart  
But now it's getting late and the moon is climbing high  
I want to celebrate see it shining in the night

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
On this harvest moon

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
On this harvest moon
