

Ride With You

Poolside

Love is an easy road
I want to ride with you
Pack and we'll leave tonight
We'll drive the whole night through

Fall asleep on the highway
You want to do it my way
I want to do it any way
As long as it's with you

Love is an easy road
I want to ride with you
Time keeps going slow
I'll take my time with you

Fall asleep on the highway
You want to do it my way
I want to do it any way
As long as it's with you
