

Slow Down

Poolside

STOP!
Don't move so fast
Slow down
Let this feeling last
Relax
It's alright
The star life will guide
Us through the night

STOP!
Don't move so fast
Slow down
Let this feeling last
Relax
It's alright
The star life will guide
Us through the night

STOP!
Don't move so fast
Slow down
Let this feeling last
Relax
It's alright
The star life will guide
Us through the night

STOP!
Don't move so fast
Slow down
Let this feeling last
Relax
It's alright
The star life will guide
Us through the night

Don't slow it down
Going fast, slow it down
