Let's Go!

Poor Man's Poison

We got the villain politician with deceitful teeth
Bloody hands so sticky sweet
With the long, icy cold finger of death
And the whisper sweet as baby's breath
Yeah, this is how the story goes
The more you pay attention, the more you know
Nobody wins if everybody dies
So welcome to the show (Welcome to the show)
Here it is, surprise!

(Let's Go!)
That's the sound of the war machine
(Let's Go!)
Yeah, they're comin' after you and me
(Let's Go!)
Nobody wins if everybody dies
And we've all been caught up in a great big lie
Let's Go!

They know we're terrified of a tragedy
They know what they do compared to what we see
I've said it before, and I'll say it again
"We're all gonna die"
Yeah, "This is the end"

(Let's Go!)
That's the sound of the war machine
(Let's Go!)
Yeah, they're comin' after you and me
(Yeah, Let's Go!)
Nobody wins if everybody dies
We've all been caught up in a great big lie
Let's Go!

We're not the same
For that, we should embrace
(We all should embrace)
But this is the tool they use to separate
(Use to separate)
Some are afraid, (Ooooh) some full of rage
We all feel we've been betrayed
And they make us pay
(They'll make us pay)
There's no give and take
(There's no give and take)
Let's all give and take (Give and take)
We need to give and take (Give and take)

One, two, three (Let's Go!)
That's the sound of the war machine
(Let's Go!)
Yeah, they're comin' after you and me
(Yeah, Let's Go!)
Nobody wins if everybody dies
We've all been caught up in the great big lie
Let's Go!

Nobody wins if everybody dies
We've all been caught up in a great big lie
Nobody wins if everyone dies
We've all been caught up in a great big lie
Yeah, Nobody wins (Oooh)
("Prepare to be amazed!")
We've all been caught up in a great... big... lie...
Nobody wins (Vamos!) if everyone dies
We've all been caught up in a great big lie
Yeah, Let's Go!
