POORSTACY

Salem

I take drugs to get away (Drugs, drugs, drugs, drugs)
I don't care I'll be okay (Drugs, drugs, drugs, drugs)
I take drugs to get away (Drugs, drugs, drugs, drugs)
I don't care I'll be okay (Drugs, drugs, drugs, drugs)

Drugs, drugs, drugs, drugs
Drugs, drugs, drugs, drugs

I'm gonna die, I'm just waiting 'til the day comes
You live a lie but you too scared to wake up
Fuck love, take drugs
No sleep, stay up
I'll be on the railroad tracks when the train comes
Everybody still caught up in all the same stuff
I'll be in my casket, I'm waiting until my day comes
Fuck love, I can't get away from the fake love

Drugs, drugs, drugs, drugs
