POORSTACY

Salem

I wanna be myself  
I hate when people change  
No I don't need your help  
So stay the fuck away  
I wanna be myself  
I hate when people change  
No I don't need your help  
So stay the fuck away

No, I'm never sober  
I wish I could do it over again (Over again)  
I'm a loner  
I wish I could have you closer again (Closer again)

I know I'm not okay, can you help me?  
I lock myself away, it's not healthy  
I know I'm not okay, can you help me?  
I lock myself away, it's not healthy

I wanna be myself  
I hate when people change  
No I don't need your help  
So stay the fuck away  
I wanna be myself  
I hate when people change  
No I don't need your help  
So stay the fuck away
