I feel like
I might be going crazy
I feel weak
Can you please save me? (Woah)

You can run away, but you can't hide (Woah)
Told her I'm not okay, on the inside
Run away from the black thoughts, in my mind
Burn me into ashes when I die

Help me
Get away from the things that I hate about myself (Woah, myself
)
Save me, but before you try
Make sure you save yourself (Woah, save yourself)

I feel like
I might be going crazy
I feel weak
Can you please save me?

I feel like
I might be going crazy
I feel weak
Can you please save me? (Woah!)
