

# I Want Smoke

POORSTACY

I want all the smoke, fuck nigga don't choke  
I want all the smoke, fuck nigga don't choke  
I want all the smoke, fuck nigga don't choke  
Bobby Kritical

I just had to cook it up, nigga, like it was sauté, ayy  
No, I do not rock Balmain  
You niggas play Nintendo, I play no games  
My bitch graduated from college, she got good brain  
You look like a whatchamacallit, that boy got no taste  
Just like it's a Kit Kat I told that ho that I need a break  
I'm not with the chit chat, my niggas would rather run a fade  
You can try to eat it for Twitter and Instagram fame  
I want all the smoke, fuck nigga don't choke  
She gon' deepthroat on my dick, like a ho  
I won't ever fold, bitch I stand ten toes  
Talking out your neck, broke boy don't get exposed

Two bitches, they hit my phone at the same exact time  
So I have fucked them together  
No I'm not shady, but I cannot fuck all these niggas  
So I might just change like the weather  
She say she like my dick, it get her wetter  
These pussy boys lightweight just like a feather  
Look just like pussy  
Smell just like pussy  
That boy might be pussy  
I know that boy pussy  
Nigga d-riding, no I'm not a friend of you, ya  
These niggas dumb like a vegetable  
Like I just won a Fortnite solo, W  
Finishing gin goo like if it was just the too  
I would kill myself if I was the same as you  
[?] move  
Pussy boy, your parents should be ashamed of you  
You'd better run, and my pistol I aim at you  
I want all of the smoke  
I use my Bic lighter so much that I think that shit had ran out of fuel  
Fuck all that talking shit, I run a fade with you  
Kick like it's soccer, but I don't play games with you  
Just like in LA, bitch I'ma be In N' Out  
That bitch an eater, so I put dick in her mouth  
These niggas pussy boy, they sucking dick for clout  
These niggas scary, just like Tom and Jerry mouse

I just had to cook it up, nigga, like it was sauté, ayy  
No, I do not rock Balmain  
You niggas play Nintendo, I play no games  
My bitch graduated from college, she got good brain  
You look like a whatchamacallit, that boy got no taste
