

Jump

POORSTACY

I'm fucked up and so alone
I'm on the edge, I've lost control
And I'm afraid I might just have to jump
I'm on the tallest building in the sky
I'm sorry, mom, I'm not alright
And I'm afraid I might just have to jump

As I sit here on this New York rooftop
Contemplating life before I drop dead
My feet tangled, my stomach drops
As I free fall off this building to my death

I'm fucked up and so alone
I'm on the edge, I've lost control
And I'm afraid I might just have to jump
I'm on the tallest building in the sky
I'm sorry, mom, I'm not alright
And I'm afraid I might just have to jump

Jump, jump, jump, jump
Jump, jump, jump, jump
Jump, jump, jump, jump
Jump, jump, jump, jump

Would you die for the God who has lied to us all?
Crucified on the cross as the people watched
And the angels cried, creatures crawled
Consume my soul as the darkness falls from the sky

If you see what I saw, Lord, have mercy for us all
I've been speaking to the walls in my mind

I'm fucked up, I'm fucked up
I'm fucked up, I'm fucked up

I'm fucked up and so alone
I'm on the edge, I've lost control
And I'm afraid I might just have to jump
I'm on the tallest building in the sky
I'm sorry, Mom, I'm not alright
And I'm afraid I might just have to jump

Jump, jump, jump, jump
Jump, jump, jump, jump
Jump, jump, jump, jump
Jump, jump, jump, jump

And I'm afraid I might just have to jump
