

Knife Party

POORSTACY

Knife fight, it's fucked, I'm just tryna take
My life, knife fight, knife fight
Knife fight, it's fucked, I'm just tryna take
My life, knife fight, knife fight
Knife fight, it's fucked, I'm just tryna take
My life, knife fight, knife fight
Knife fight, it's fucked, I'm just tryna take
My life, knife fight, knife fight

Won't somebody try to kill them, all those dirty cunts
Your face, I'll shove my fingers in the fucking cut
You're full of shit, I want to kill them all
Aww, come on, come on, come on, come on
Come on, come on, come on, come on
Kill the motherfuckers

Knife fight, it's fucked, I'm just tryna take
My life, knife fight, knife fight
Knife fight, it's fucked, I'm just tryna take
My life, knife fight, knife fight
Knife fight, it's fucked, I'm just tryna take
My life, knife fight, knife fight
Knife fight, it's fucked, I'm just tryna take
My life, knife fight, knife fight

I'll be your heart if you promise me you'll make it quick
I've got a fucking temper, full of shit, you stupid bitch
You said I'd be alone, so why do they all scream my name
You make me sick, you fucking twisted cunt

Leave your face on the ground
Leave your face on the ground
Leave your face on the ground
Leave your face on the ground
Leave your face-

Knife fight, it's fucked, I'm just tryna take
My life, knife fight, knife fight
Knife fight, it's fucked, I'm just tryna take
My life, knife fight, knife fight
Knife fight, it's fucked, I'm just tryna take
My life, knife fight, knife fight
Knife fight, it's fucked, I'm just tryna take
My life, knife fight, knife fight

Knife fight, motherfucker, agh
