

## Nothing Left

POORSTACY

I live a life full of regrets  
Not good for you  
I feel the heartbeat in your chest  
Our love is true  
The sky is grey but it turns blue  
When I'm with you  
There's nothing left that I feel like  
I have to do

Voices in my head, are my only friends  
Am I alive or dead?  
Closer to the edge  
Is this the end?  
Is this the end?

And when you tell me that you love me, I love you too  
I hate to think about the things that I put you through  
And when you tell me that you love me, I love you too  
I hate to think about the things that you put me through

I live a life full of regrets  
Not good for you  
I feel the heartbeat in your chest  
Our love is true  
The sky is grey but it turns blue  
When I'm with you  
There's nothing left that I feel like  
I have to do

I live a life full of regrets  
Not good for you  
I feel the heartbeat in your chest  
Our love is true  
The sky is grey but it turns blue  
When I'm with you  
There's nothing left that I feel like  
I have to do

I live a life full of regrets  
Not good for you  
I feel the heartbeat in your chest  
Our love is true  
The sky is grey but it turns blue  
When I'm with you  
There's nothing left that I feel like  
I have to do
