

# TONIGHT

POORSTACY

It's been so long

Waiting for tonight  
When you would be here in my arms  
Waiting for tonight  
I've dreamed of this for so long  
Waiting for tonight (Oh-oooh)  
I'm waiting for tonight (Oh-oooh)  
I'm waiting for tonight

I wanna take you to where it's always nice out  
Turn the lights out and knock her lights out  
Turn her insides, inside out  
All I wanna do is catch a flight now  
No sleep, I've been up all night  
I'm not tripping as long as the moon's right  
She thinks I'm with a different girl as soon as my phone dies  
I know the devil's real, yeah, I've seen her with my own eyes  
I won't let the money and the fame, make me  
I won't let the bullshit or pain, break me  
I'm doing alright, I can't complain lately  
I know I'm on the right path and everybody's hating

Oh I had to hold on  
No I had to hold on  
Oh I had to hold on

Waiting for tonight  
When you would be here in my arms  
Waiting for tonight  
I've dreamed of this for so long  
Waiting for tonight (Oh-oooh)  
I'm waiting for tonight (Oh-oooh)  
I'm waiting for tonight

And I know she gon' change me  
Feel like nothing's right lately  
But my life's so gold  
Wanna stunt, AP, yeah I'm feeling myself  
Cut the lights down low  
Need a light, get stoned  
Get me in my zone  
Move quick, too smooth, yeah, layup  
Time and time, I'ma tell you how I feel  
Just 'cause I feel some way  
But you know, 'cause I tell you everyday  
You are my sunshine

Oh I had to hold on  
No I had to hold on  
Oh I had to hold on

Waiting for tonight  
When you would be here in my arms  
Waiting for tonight  
I've dreamed of this for so long  
Waiting for tonight (Oh-oooh)

I'm waiting for tonight (Oh-oooh)  
I'm waiting for tonight

I'm waiting for tonight  
I'm waiting for tonight
