

## Without You

POORSTACY

I stay up all night with you  
You don't have to lie, you can tell the truth  
I would rather die than be without you  
I would rather die than be without you  
I stay up all night with you  
You don't have to lie, you can tell the truth  
I would rather die than be without you  
I would rather die than be without you

I can't get you off my mind  
I still think about it all the time  
You know I hate to see you cry  
And I don't want to be alive

I don't want to see you all alone  
No one's gonna miss me when I'm gone  
I don't want to see you all alone  
No one's gonna miss me when I'm gone  
When I'm gone, all alone  
All alone, when I'm gone

I stay up all night with you  
You don't have to lie, you can tell the truth  
I would rather die than be without you  
I would rather die than be without you  
I stay up all night with you  
You don't have to lie, you can tell the truth  
I would rather die than be without you  
I would rather die than be without you
