Bad Break

POP ETC

Is all lost?
Were we given away?
I've seen the trouble through miles and miles of pain
Oh I should've known better, I should've known better
She tried to get through, but I wouldn't let her

I caught a bad break, and I can't live it down
Everybody follows in this stubborn old town
I caught a bad break and now I gotta get out (get out!)
I caught a bad break and they won't let it go
Everybody's screaming 'cause they already know
I caught a bad break and now I gotta get out (get out!)
Let me get out, let me get out
Let me get out, let me get out
I gotta get out

Are we safe?
Have they followed us here?
We changed our old names
But we couldn't shake the fear
Oh I should've known better, I should've known better
If they say you're out once, you're out forever

I caught a bad break, and I can't live it down
Everybody follows in this stubborn old town
I caught a bad break and now I gotta get out (get out!)
I caught a bad break and they won't let it go
Everybody's screaming 'cause they already know
I caught a bad break and now I gotta get out (get out!)

I gotta get out gotta get out of this mess
I gotta get out gotta get out of this darkness
I gotta get out gotta get out of these old lines
I gotta get out gotta get out this time

I caught a bad break, and I can't live it down
Everybody follows in this stubborn old town
I caught a bad break and now I gotta get out (get out!)
I caught a bad break and they won't let it go
Everybody's screaming 'cause they already know
I caught a bad break and now I gotta get out (get out!)
Oh I gotta get out
