

## Both Directions

POP ETC

Be careful what you wish for  
It might just come true this time  
Back into a corner  
Lookin' for some kind of sign 'cause

I don't know where to go  
It's pulling me in both directions  
You shift the blame and call my name  
You're pulling me in both directions

Saying at a crossroads  
And everyone's running back  
Trying to catch our breath now  
With color bleeding in my mind 'cause

I don't know where to go  
It's pulling me in both directions  
You shift the blame and call my name  
You're pulling me in both directions  
Pulling me, Pulling me  
Pulling me in both directions  
Pulling me, Pulling me  
Pulling me, Pulling me

I don't know where to go  
It's pulling me in both directions  
You change the rules now I'm the fool  
You're pointing me in both directions 'cause

I don't know where to go  
It's pulling me in both directions  
You shift the blame and call my name  
You're pulling me in both directions  
Pulling me in both directions  
Pulling me in both directions  
Pulling me in both directions

Be careful what you wish for  
It might just come true this time  
Keep dodging all my questions  
And pulling me in both directions
