

Deathwalk

Pop Evil

All the days full of self destruction
Years full of rot and decay
Intoxicated seduction
My corpse on display

I am on my Deathwalk
Jaws on the noose I'm the accused
I am on my Deathwalk
With every step I am closer to the end

All the days full of self corruption
Sentence me to an early grave
Detoxicated abduction
The light slowly fades

I am on my Deathwalk
Jaws on the noose I'm the accused
I am on my Deathwalk
With every step I am closer to the end

I'm on my Deathwalk line my body in chalk
It's my time to pay my debt
I'm on my Deathwalk line my body in chalk
It's time to pay my time to pay my debt

All the days full of self destruction
Years full of rot and decay
Intoxicated seduction
My corpse on display

I am on my Deathwalk
Jaws on the noose I'm the accused
I am on my Deathwalk
With every step I am closer to the end
