

# Sound Of Glory

Pop Evil

Tell me, are you ready for war?  
Are you ready for war?  
Right now, I'ma settle the score  
I'ma settle the score  
I've been waiting for a lifetime  
For one chance, for one night  
Igniting the light  
Yeah, I'm ready to fight

Eh, oh, no one's gonna tear me down  
I'ma write my story  
Eh, oh, tell me, can you hear it now?  
It's the sound of glory

The speed of the sound  
Got my feet on the ground  
Can you feel the commotion?  
Carry the world, I'm moving the ocean  
Nothing is free that you wanna achieve  
I'm ready to dream, ready to feed the lion in me  
Yeah, you gotta believe

Eh, oh, no one's gonna tear me down  
I'ma write my story  
Eh, oh, tell me, can you hear it now?  
It's the sound of glory

Tell me, are you ready for war?  
Are you ready for war?  
Right now, I'ma settle the score  
I'ma settle the score  
I've been waiting for a lifetime  
For one chance, for one night  
Igniting the light  
Yeah, I'm ready to fight

Eh, oh, no one's gonna tear me down  
I'ma write my story  
Eh, oh, tell me, can you hear it now?  
It's the sound of glory  
Eh, oh, no one's gonna tear me down  
I'ma write my story  
Eh, oh, tell me, can you hear it now?  
It's the sound of glory

Eh, oh, tell me, can you hear it now?  
It's the sound of glory  
(Sound of glory)
