

## (A Style Called) Crying Chic

Pop Levi

I took my baby to the train  
I took my baby to the train  
I took my baby to the train  
My baby's somewhat lame

I sold my baby down the line  
I sold my baby down the line  
I sold my baby down the line  
I sell my babies fine

I bought my baby years ago  
I bought my baby years ago  
I bought my baby years ago  
Taught her everything I know

She learn so quick, she learn so fast  
She learn so quick, she learn so fast  
She learn so quick, she learn so fast  
My old woman's in the past

I put my lover to the test  
I put my lover to the test  
I put my lover to the test  
Found the new girl to be best

She took from wealthy, she took from poor  
She took from wealthy, took from poor  
She took from wealthy, took from poor  
I wasn't hungry anymore

The flash of danger in her eye  
The flash of danger in her eye  
The flash of danger in her eye  
Said the limit was the sky

I asked my lover "kill for me"  
I asked my lover "kill for me"  
I asked my lover "kill for me"  
It was curiosity

Without a light, without a sound  
Without a light, without a sound  
Without a light, without a sound  
I had to follow her to town

She must have thought she was alone  
She must have thought she was alone  
She must have thought she was alone  
Outside a residential home

She knew the number of the room  
She knew the number of the room  
She knew the number of the room  
Soon to be an old man's tomb

She made him whimper, she made him beg  
She made him whimper, made him beg

She made him whimper, made him beg  
I had to shoot my baby's leg

I took my baby to the train  
I took my baby to the train  
I took my baby to the train  
My baby's somewhat lame

I sold my baby down the line  
I sold my baby down the line  
I sold my baby down the line  
I sell my babies fine

I had the money in my hand  
I had the money in my hand  
I had the money in my hand  
To the floor it pour like sand

A little water on her cheek  
A little water on her cheek  
A little water on her cheek  
She had a style called crying chic
