

Mai's Space

Pop Levi

Doodle-lang doodle lang

Starting up a new day
'Nother bñack and blue day
With something on my mind
I had the funny feeling
Mama gonna hit the ceiling

For staying at Mai's space
I been staying at Mai's space
Oh Lord!
I been staying at Mai's space
I been staying at
Doodle-lang doodle-lang

What you doing to me
On your tip-toes, honey?
I be doing to you
Where your hip goes, honey, too!

Starting up the club way
Finishing up the sub way
How I can be so blind!
I had the funny feeling
Mama gonna hit the ceiling
I need forever healing
Mama gonna hit the ceiling
