

## Police \$ign

Pop Levi

(Oh, oh)

I got a roller skater  
I'm 'bout to figure eight her  
She rollin' right to me  
She do kill it

But she's an instigator  
Another double trouble trader  
Put a paper suit on me  
She do kill it

And I said damn  
Police sign  
Tell me where I get me mine  
Police sign

And it was happenstance  
Got me caught without my pants  
But shorty penitentiary  
She do kill it

I want a second chance  
Cause I could never dance  
With a paper suit on me  
She do kill it

And I said damn  
Police sign  
Tell me where I get me mine  
Police sign  
Tell me where I get me mine  
Police sign  
Tell me where I get me mine  
Tell me where I get me mine

I got a roller skater  
I'm 'bout to figure eight her  
She rollin' right to me  
She do kill it

(Oh no, no)

But she's an instigator  
Another double trouble trader  
(Oh no, no)  
Put a paper suit on me  
She do kill it

I said damn  
Police sign  
Tell me where I get me mine  
Police sign  
Tell me where I get me mine  
Police sign  
Tell me where I get me mine  
Won't you tell me where I get me mine

(Oh, oh)
