Pop Smoke

Ooh (Oh)  
Ooh  
Ooh

That was all profit (That's the way it's gotta be, son)  
Robbin', robbin', robbin'  
'Cause I never used to have nothing (Nothing)

Nothing (Ooh)  
Nothing (Ooh)  
Stay ten toes

Ten toes (Oh)  
Ten toes (Oh)  
Ten toes (Yeah)

Never used to have mine, I was all profit  
(Oh)

Momma told me  
"Keep your head above water"  
Keep your head above water  
Never take your first offer

It's gon' come around again  
(Ooh)  
Always keep yourself in order  
Order  
Before somebody puts you in order

Know the devil telling lies  
He's there when I sleep  
Say you can't rewind in this life, but is it me? Oh, Lord  
Take my mind, simply saucin'  
I see, so sweet  
Know I couldn't make it running  
Life is so hard

Yeah, yeah, yeah

Carrying on, look at us singing this song  
Wonder what bleeds in the dark and we ain't built to handle it all  
Answer the call, are you hearing me? Come and get involved, baby doll  
Live the fast life, can't blame me

Ice blowing and I know I'm toe to toe in the fight  
Dancing with the Devil, pray I make it alright

I don't know why, just a nigga living wild

Nothing (Ooh)  
Nothing (Ooh)

Ten toes (Oh)  
Ten toes (Oh)  
Ten toes (Ten)
