Hands off the whip when I'm parking, uh  
It's still Amiri for the denim  
I bet I send 'em to heaven  
They take advantage if you let 'em, uh  
Blue dot, stalking  
I like my white opps blue, uh

'Cause I got some black ops too  
Walk in, walk out  
What the fuck is all the talk 'bout?  
I bet I shake up the room  
Get straight passion

Raining, pouring  
Say the wrong thing and we on 'em  
Three stripes, chalk 'em  
Lighting, thunder

They tried to give him a quarter  
Earthquake, cordless
