

## Meet the Woo

Pop Smoke

(This is a Melo beat)

Baby girl come and meet the woo  
She know we keep a tool  
Big knockin' on my body  
Watch who you speaking to  
Baby girl come and meet the woo  
Big knockin' on my body  
The beat went off?

I go H like Avelli, got treesh in the deli  
Shawty want fuck over, that just some heli  
Don't call my phone, got the feds on my celly  
Fly to Miami, put dick in her belly  
Wanna make bread, tell 'em open up Relly  
TD, OA, Tander, City, Chevy  
Pull up in rovers, catch him it's over, spin it like jail it's  
ocer  
Shoot with that holder, shooting like Korver, put that boy head  
on his shoulders  
Swervin', give em' two shots I'd he twerlin'  
Burn him, I promise it's gon' be a murder  
If I catch him I hurt him, slide him I murk him, look at that b  
oy lookin' nervous  
I got 1 thing for sure, I got 2 things for certain , wrap that  
boy up in a curtain  
Touchy, I dropped 38 on this touchy  
I made a flip off this puppy  
I turned that boy to a duppy  
Balmain, true blue, ocean, mystery, potion, back out, toast him  
, Pop Smoke, run him, over, over, over (err)

Baby girl come and meet the woo  
She know we keep a tool  
Big knockin' on my body watch who you speakin' to  
Baby girl come and meet the woo  
Big knockin' on my body  
Watch who you speakin' to
