

(This is a Melo beat)

I need that money, that power, respect
I need that money, that power, respect
I need that money, that power, respect
I need that money, that power, respect
I need that... money
I need that money, that power, respect
I need that money, that power, respect
Wait, it's big 092MLBOA

Teach you
You gotta gun nigga
Me too, me too
Fly down your block like an eagle (eagle)
We makin' movies like regal (boom, boom, boom, boom)
Teach you
No you can't hide boy I see you
See you, you ain't getting bread nigga, g'd you
Fuck is you talking bout back out, brush em
Know some niggas that shoot you for nothin
Gang get to spin only morning, no politics ain't no discussions
Back at your knife, cut em, come to my block, rush 'em
Beam, every boy gots the cig homie, and we gone hurt you if you touch em
Tell this beat poppin stunning, they see me start running cus they know the
gang and I'm reppin
Treesha! Dirty Diana go get a breath mint before you come get in session
Watchu know bout, watchu know bout fuckin lil Texas
Hurry
Dirty the weapon, gun thinking like its Tetris
Woo
Woo back, walk in your party with 2 straps
Walk in your party like who dat
Say the wrong thing we gone shoot that
Shoot first, shoot back
It's automatic when the woos clap
Lot a talk on my name, can't prove that
Niggas say I'm a bitch I'm like who dat
I come on the block with like 2 9's
Everybody know I'm 9 2
Gun to his head if he die, woo
If you don't like me I on like you, woo
I'm 8 23 and I'm certified
Know that I'm crip let that burner fly
I fuck with some movers and maybachs
I fuck with some rollers and paybacks
Smoke!
Vito, give 2 shifts like free throws
Pick up your shots then reload
No we don't fuck with them people
On the block with a choppa with just me and choppa we chillin, we killas and
scamming niggas
Know the force from the h to the k to the rock
Free milly g's out the slamma nigga
O shit 30 yeah I play with that stick, no construction, I play with that ham
mer nigga
I don't play disrespect nigga, watch what you say, my 38 never jam my nigga

808, 808

Shoot then I get away, then I go skate in a JL8

Sealed away, Brodie got locked but he out cause he pullin that pillow weight

Tell her wait, no I can't fuck you today so you know that I tell her wait

Heaven gates

I'm tryna send him to heaven gates

I need that money, that power respect

I need that money, that power, respect

I need that money, that power, respect

I need that money, that power, respect

I need that money

I need that money, that power, respect

I need that money, that power, respect

Wait, it's big 092MLBOA

Teach you
