

# White Devil

**Popa Chubby**

White Devil gonna vandalize your soul

White Devil gonna steal your soul  
throw it down in the gutter  
where it's so damn cold  
White Devil gonna vandalize your soul

White Devil gonna terrify your dreams  
'Til you wake up to shout out the screams  
White Devil gonna terrify your dreams

White Devil gonna wear a suit and tie  
White Devil is a charming guy  
Sign on the dotted line  
slit your throat and die  
White Devil gonna wear a suit and tie

White Devil gonna funeralize your life  
White Devil steal your life  
Eat your children for his supper  
Run away with your wife  
White Devil gonna funeralize your life

White Devil ain't got no kind of soul  
White Devil ain't got no place to go
