

Working Class Blues

Popa Chubby

Guitar solo

I got no health insurance

No alimony

20 dollars in my pocket till the next pay day

Hold on, I got them working class blues

I get me some money

I buy a new pair of shoes

I got a filthy old woman on the wrong side of town

Woman that I love she keep on pulling me down

Hold on, I got them working class blues

If I get me some money

I buy a new pair of shoes

No bank account, no pension plan

I make the minimum wage, I am a family man

No medication, no leisure time

Working so hard baby, must be a crime

Hold on, I got them working class blues

How 'bout you?

Piano solo

Guitar solo

Come on, help me out. Do you feel good?

I got no bank account, got no pension plan

Make the minimum wage, family man

Hold on, hold on

Hold on on on

I got them working class blues

Hold on, 4 x

Hold on on on

I got them working class blues
