

Nah beg none a them nothing  
Jesus  
Live the life weh you love  
876 GAD  
No boy can't touch me, Jah a my judge  
Biggest  
Badmind people fi go in a the mud  
Bomboclaat, me a fi cuss a bad word  
Yeah  
All when me no see them, them still see me  
Red eye pussy them wrenk like chimney, oh-oh  
Them well wan' be me

Call up me name just fi get a forward  
Them call up me name just fi get a forward  
Them call up me name just fi get a forward  
You no see the whole a them a parasite, them a leech  
Them think 'bout Poppy more than them woman  
Them think 'bout Poppy more than them woman  
Them think 'bout Poppy more than them woman  
You no see the pussy them a parasite, them a leech

Yeah  
Hot oil in a them eyelash  
You no see me can't stop make cash  
A no TV, a me them a watch  
One foot 'pon them neck, one foot 'pon the gas  
Yeah  
Me no love man  
Me neck full a blood diamond  
Them pussy a fi learn fi go write hit song

Call up me name just fi get a forward  
Them call up me name just fi get a forward  
Them call up me name just fi get a forward  
You no see the whole a them a parasite, them a leech  
Them think 'bout Poppy more than them woman  
Them think 'bout Poppy more than them woman  
Them think 'bout Poppy more than them woman  
You no see the pussy them a parasite, them a leech

Yeah  
Me no throw shade, me throw hand grenade  
Them gyal a keep me cool like lemonade  
Done tell you say no boy me no serenade  
Unruly we name, yeah, never 'fraid  
Nah talk no badness with unuh fool  
Them a children, pickney, kid unuh  
World know say a fry yiy build unuh  
Tell badman fi no kill unuh

Call up me name just fi get a forward  
Them call up me name just fi get a forward  
Them call up me name just fi get a forward  
You no see the whole a them a parasite, them a leech  
Them think 'bout Poppy more than them woman  
Them think 'bout Poppy more than them woman

Them think 'bout Poppy more than them woman  
You no see the pussy them a parasite, them a leech

Me no need no friend  
Me glory me share with them  
Pussy them love fi pretend  
Throw dirt 'pon me name a the latest trend  
Anju, me a pree fi go lend them a MOBO  
Them a use up me name fi the promo  
Yeah, Andrae is a legend  
Him feel like heaven, him feel like heaven

Call up me name just fi get a forward  
Them call up me name just fi get a forward  
Them call up me name just fi get a forward  
You no see the whole a them a parasite, them a leech  
Them think 'bout Poppy more than them woman  
Them think 'bout Poppy more than them woman  
Them think 'bout Poppy more than them woman  
You no see the pussy them a parasite, them a leech
