Anytime mi see obstacle mi kick weh dat
Firm and strong, solid as a rock
Longtime dem a fight me and dem never stop
Hot skull still rise to the top
Di short yout' dem waan fi get out
Never look back from Popi step out
Same person whol' heap a pussy did doubt
Aha, ayy, Notnice!

A could a wha suh mek dem waan fi get me out? (woi!)
Wha suh mek dem waan fi get me out?
A could a wha suh mek dem waan fi get we out?
Ghetto yout', dutty heart caan better dan wi
Wha suh mek dem waan fi get me out?
A could a wha suh mek dem waan fi get me out?
Wha suh mek dem waan fi get me out?
All kind a trap dem a set up all 'bout

All when dem deceive me
Paint bad image to man like graffiti
Dem still caan defeat me
Read psalms daily, deeply
Some people nuh believe me
One shoes mi used to rock every party
Hungry used to kick me like Karate
Give thanks seh mi made it

Darg, believe me, we make it
From I make it, you can make it
Keep your life, nuh mek badmind take it
Some vex seh mi made it
