

# Save Energy

Popcaan

(Malcolm X, Muhammad Ali)

Du-du-du-dup-dup-du-du

(Malcolm X, Muhammad Ali)

Save energy fi the next round

(Malcolm X, Muhammad Ali)

(Malcolm X, Muhammad Ali)

Believe me, them no scare me (Hot Oil)

At all times, me gun them near me

Unruly getting bigger daily (Yuh learn)

The fight yah real

But me nah go back down (No)

Save energy fi the next round (Yes)

Save energy fi the next round, mhmm

The king no crown in a them own town (No)

Save energy fi the next round (Yes)

Save energy fi the next round, yeah

Yeah

Have me Berretta close, and a watch me head

Love e bush life, friend me no need fi beg

Me no like boy pickney

Fake friend sick me

Can't trick me, bring e rifle head

A fi carry me gun a road, me nah pretend

All if FLA no license me

Poppa Skull no related to Tyson death

Nah lef' e TEC-9 (TEC-9)

Me a fi protect mine (Protect mine)

Me a fi protect mine (Protect mine)

Me a fi protect mine (Protect mine)

The fight yah real

But me nah go back down

Save energy fi the next round

Save energy fi the next round, mhmm

The king no crown in a them own town

Save energy fi the next round

Save energy fi the next round, yeah

Me vision [?]

And me magazine them loaded (Weh)

Me mind exploded

Me no feel the same since COVID

Me heart broke already, and no tool can't weld that

Can't tell them a where the Askell at

Nah sell fi me soul, rather sell strap (Sell strap)

Nah lef' e TEC-9 (TEC-9)

Me a fi protect mine (Protect mine)

Me a fi protect mine (Protect mine)

Me a fi protect mine (Protect mine)

The fight yah real

But me nah go back down

Save energy fi the next round  
Save energy fi the next round, mhmm  
The king no crown in a them own town  
Save energy fi the next round  
Save energy fi the next round, yeah
