

# Show Me

Popcaan

Oh yo, DJ! Mm  
Tell dem gal a say dem fi fawdu  
Dem betta de dat

Ayy, baby you know that I wanna be closer to you  
Baby your body so bad and I need you to know

Girl my kind of weather this  
Wan' make you wind up on the head of this  
Girl they drop the bomb like a terrorist  
Make we go inna the church up a methodist  
Girl you love riding  
Baby me no say you love big bag  
Yeah, you love winding  
Cock it up, let me see if you a my damn type

You can do it yeah  
Show me where you can do yeah  
You can do yeah  
You show me where you can do (cock it up and count God)  
You can do, let me know you show me where you can do, wine and tears  
You can do, let me know you show me where you can do

Tell nobody tick you for your tick tock (what)  
Make me see lick up your boobs like a discharge (oh)  
She have a bad attitude, pretty mixture (jubin')  
Have me third leg a crawl pon your six pack (yes)  
You slang a cover and walk with your sister  
Up a tight pussy club you don't register  
Love when you bubble down wine water twister (yes)  
Jealous king you so smooth you no blister yeah (ah)

Yeah You love riding  
Baby me no say you love big bag  
Yeah, you love winding  
Cock it up let me see if you are my damn type

You can do it yeah  
Show me where you can do yeah  
You can do yeah  
You show me where you can do (cock it up and count God)  
You can do, let me know you show me where you can do, wine and tears  
You can do, let me know you show me where you can do

We a move like Shigella trendy  
Like a machine you a wine like a Wendy  
Cock it up wine down, sweating on your Fendi  
Wine pon the boss like a boss a friend me

Ayy, Girl my kind of weather this  
Wan' make you wind up on the head of this  
Girl, they drop the bomb like a terrorist  
Make we go inna the church up a methodist  
Girl you love riding  
Baby, me no say you love big boy (big boy)  
Yeah, you love winding  
Cock it up, let me see it, you a my damn type

You can do it yeah  
Show me where you can do yeah  
You can do yeah  
You show me where you can do (cock it up and count God)  
You can do, let me know you show me where you can do, wine and tears  
You can do, let me know you show me where you can do
