Lace up yo Clark's and buckle up yo belt
Tek on di road fi di wealth
Watch when pagan a melt

Mama, mi a go meck yo proud don't worry yo self
Daddy a go proud don't worry yo self
Suffaration soon done Spidel
High speed don't worry yo self

Jah clear every trap weh dem set up
Dem waan hear seh mi dead or get lock up
Forward Poppy seh, full man cup
Everyday more money stock up

Dem waan mi fi sad, but mi a go smile again
Yeh mi a go smile again

Dem waan mi fi dead, but mi a go smile again

Dem waan mi fi dead, wi a go smile again
Ghetto youth a go smile again

Dem waan mi fi run weh, anyweh mi deh mi run deh
From sunday, to sunday

Every ghetto youth fi buss weh an tun star

Ghetto youths seh hotel wi fi have plane
Happy not sad pain

The struggle meck wi strong wen wi a grow up
Whole heap a friend gone squady just roll up
Give thanks when yo live till yo get old up
Real tugs never get cold up
