

# So Cold

Popcaan

Unruly  
Wo Yo

It's so cold take all of the pain away  
Don't you make it show  
Haha say some toast  
Bad man still living better life to enemies woes

It's not easy for me to be me  
So many criticism, man still dey chase  
Ah government funny and the people corny  
Anywhere Belle face dem people dey (Hagan)  
Hahan mami we can meet and greet  
We can chill and grease  
Mommy I dey shayo in peace, everything legit

It's so cold, take all of the pain away  
Don't you make it show  
Ah say some toast  
Badman still living better life to enemies woes

Ayy  
Oh-no, oh  
Ayy  
Cold world, cold world  
That's why me still in my own world  
Ain't givin' up the fight 'til it's over, yeah  
So much, will you deny jealous  
So me know, never dem ah fi ah sad  
Ghetto youth protect your freedom, be wise (woh yoi)  
Life ah the greatest gift wey we have  
E no easy to live in ah borin' full of crap  
Dodo issa runnin' inna the street like Jah  
While the government is a lock up inna office inna life

It's so cold (so cold)  
Take all of the pain away  
Don't you make it show (make it show)  
Hahan, say some toast  
Badman still living better life to enemies woes (oh no)  
It's so cold, take all of the pain away  
Don't you make it show  
Ah say some toast  
Badman still living better life to enemies woes
