

## Teach Me

Popcaan

Girl you ah di best you do all the things weh mi love  
You ah my blessings seems like you were sent from above  
You nuh haffi change yuh ways for me, yea  
You good as long as you near to me  
Know you ah mi wife to be, yea  
Ah you drake ah sen een di license fi  
You ah my destiny ah you do the thing weh mi love  
An you is a blessing girl you was sent from above

Teach me to love you enough  
Teach me to love you enough girl  
Teach me to love you enough (enough)  
Teach me to love you enough (oh yea)

None ah we nuh perfect  
Need to speak in person so don't text  
Have some makeup slow sex  
Surprise you with a brand-new Rolex  
Anytime you need me  
Love the joy you bring me  
Never wanna see you sad and grieve baby

No gyal cyaa replace mi wife  
I just need you to know  
Smile now mi baby don't cry  
Right now I'm willing to grow

Teach me to love you enough  
Teach me to love you enough  
Teach me to love you enough  
Teach me to love you enough (oh yea)

Just ah tell you how mi feel  
Sometime mi brain ah spin like a Ferris wheel  
Music game is like a battlefield  
Have me moving like a navy seal  
And if mi never tell you yet  
Mi wah you know say my love is real  
Reminisce pon the time weh we used to spend  
And ah some ah dem time deh me really need

Love you enough  
Teach me to love you enough  
Teach me to love you enough  
Teach me to love you enough (oh yea)
