

# We Caa Done

Popcaan

Woi yoi (Yeah)  
Trouble  
Trouble foot feet  
You know e go  
876 God, 6 God (OVO, Unruly)  
6 God (OVO, Unruly)  
OVO, Unruly  
Yeah, ayy  
Yeah, ayy, ayyy

Try fi rush me out, try fi brush me off, I see  
Badman like Skull and me from Unruly, girl, why pree? (Weh)  
Why pree? Why pree? Why pree?  
Disrespect we and shot a go beat (Yeah)  
They tryna say we done, pussy, we cyaa done (No)

We cyaa done, we cannot done, we cannot done  
We cyaa done (Weh), we cannot done, we cannot done (No)  
We cyaa done, we cannot done, we cannot done (Ooh, ooh-ooh, ooh-ooh)  
We cyaa done (Weh), we cannot done

Woi, me cyaa done bwoy will dead, me don't need my gun  
Choppa loud up di place like one new stadium  
Thick gyal ah give me head inna the big Phantom  
Dem know me ah do god like one a Jesus son  
Yeah, short but mi heavy (Woi)  
Chain 'round mi neck can buy a couple Chevy  
Hmm, jiggle up yuh body fi mi baby  
Know say you love when mi cum in a yuh belly, yeah  
Badman she like, champagne and candlelight  
Gi yuh somethin' make you ride it like a motorbike (Yes)  
Me ah di original, me ah di prototype  
Dem think we done, we just ah kick it inna overdrive  
Money can't done (No)  
Anywhere we pull up is a pandemonium (Yes)  
Millions ah discuss inna di forum  
Diss di 6 God and haffi run up and down (Trouble)  
Trouble foot feet

Try fi rush me out (Weh), try fi brush me off, I see (No-no, no-no)  
Badman like Skull and me from Unruly, girl, why pree?  
Why pree? Why pree? Why pree?  
Disrespect we and shot a go beat  
They tryna say we done, pussy, we cyaa done

We cyaa done, we cannot done, we cannot done  
We cyaa done, we cannot done, we cannot done  
We cyaa done, we cannot done, we cannot done  
We cyaa done, we cannot done, no

Ah everywhere di gyal dem love we  
Innaa every state, every country  
Cute pretty gyal wan' make a movie  
She a tell me she bad and she unruly  
Man just a start, get richer everyday and just a laugh  
Legendary, full Burberry  
Have a pretty Askelli, anything kick off (Yeah)

'Member man ah god inna di earth, so mi fuck some Earth angel  
Me great granny from heaven say fi gwan raise hell (Yes)  
Man ah fight to the end from dem ring that bell  
And as you make it inna life dem say ah soul you ah sell  
Amount ah pain mi feel some ah mi flow can tell  
Whole heap ah friend switch up, mi still wish dem well  
Whole heap a record break, whole heap a show get shell  
From you say we name ah great it spell (Weh, trouble)

Try fi rush me out, try fi brush me off, I see  
Badman like Skull and me from Unruly, girl, why pree?  
Why pree? Why pree? Why pree?  
Disrespect we and shot a go beat  
They tryna say we done, pussy, we cyaa done

We cyaa done, we cannot done, we cannot done  
We cyaa done, we cannot done, we cannot done  
We cyaa done, we cannot done, we cannot done  
We cyaa done, we cannot done, no
