

All The Things She Said

Poppy

All the things she said, all the things she said
Runnin' through my head, runnin' through my head
Runnin' through my head
All the things she said, all the things she said
Runnin' through my head, runnin' through my head
All the things she said
This is not enough (Enough, enough, enough)

I'm in serious shit, I feel totally lost
If I'm asking for help, it's only because
Being with you has opened my eyes
Could I ever believe such a perfect surprise?
I keep asking myself, wondering how
I keep closing my eyes, but I can't block you out
Wanna fly to a place where it's just you and me
Nobody else, so we can be free (Nobody else, so we can be free)

All the things she said, all the things she said
Runnin' through my head, runnin' through my head
Runnin' through my head
All the things she said, all the things she said
Runnin' through my head, runnin' through my head
All the things she said
This is not enough
This is not enough

All the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she said

And I'm all mixed up, feeling cornered and rushed
They say it's my fault, but I want her so much
Wanna fly her away where the sun and the rain
Come in over my face, wash away all the shame
When they stop and stare, don't worry me
'Cause I'm feeling for her what she's feeling for me
I can try to pretend, I can try to forget
But it's driving me mad, going out of my head

All the things she said, all the things she said
Runnin' through my head, runnin' through my head
Runnin' through my head
All the things she said, all the things she said
Runnin' through my head, runnin' through my head
All the things she said
This is not enough
This is not enough

All the things she said
All the things she said
All the things she said
All the things she said
All the things she said

All the things she said
All the things she said
All the things she said
Things she said
All the things she said
All the things she said

Mother lookin' at me
Tell me, "What do you see?"
Yes, I've lost my mind
Daddy lookin' at me
Will I ever be free?
Have I crossed the line?

All the things she said, all the things she said
Runnin' through my head, runnin' through my head
Runnin' through my head
All the things she said, all the things she said
Runnin' through my head, runnin' through my head
All the things she said
This is not enough
This is not enough

All the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she said
All the things she said
