

## Alternative Milk

Poppy

You've got to live it to learn  
Get fucked to grow up and blow what you've earned  
Yeah, you know  
You'll know when life takes a turn  
If there's a hole in your gut and blood on your shirt

And you're sucking at the tit  
Alternative milk  
Had it get spilled  
All over the bills  
Oh yeah  
Oh yeah  
Sucking at the tit  
Alternative milk

You've got to learn to digest  
This impermanence, it's not like they said  
Don't you know?  
There is no infinite life  
It's just a roll of the dice  
So, keep your teeth in line

When you're sucking at the tit  
Alternative milk  
Had it get spilled  
All over the bills  
Oh yeah  
Oh yeah  
Sucking at the tit  
Alternative milk  
Had it get spilled  
All over the bills  
Oh yeah  
Oh yeah

Sucking at the tit  
Alternative milk  
Don't care if it kills  
'Long as you get your fill  
Oh yeah  
Oh yeah  
Now you're sucking at the tit  
Alternative milk  
Don't care if it kills  
'Long as you get your fill  
Oh yeah  
Oh yeah  
Oh yeah  
Oh yeah  
Oh yeah  
Oh yeah
