

Chic Chick

Poppy

Offensive and I'm aggressive
If you're feeling threatened, don't whine and complain
Just pull your pants up 'cause I'm a real handful
More than you can handle
It's not a bad thing

Classic, classy, what you gonna do about it?
(I'm too fit, I'm too hard, I'm my own bodyguard)
Foxy, fancy, what you gonna do about it?
(Show me how smart you are
Bow to your matriarch)

Chic chick, I'm a chic chick, I'm a chic chick
If you don't like it suck my dick
Chic chick, I'm a chic chick, I'm a chic chick
Can you kick it with a chic chick?
Chic chick

I'm a lady minding my business, just running my business
I'm doing my thing
If you don't like it, then you can bite it
Make my own decisions, I feel like a king

Classic, classy, what you gonna do about it?
(I'm too fit, I'm too hard, I'm my own bodyguard)
Foxy, fancy, what you gonna do about it?
(Show me how smart you are
Bow to your matriarch)
